

## **M.A. Political Science**

- a) The course seeks to help students understand important concepts, approaches and theories of public administration.
- b) The course aims to equip students with understanding of the latest developments in the field of Public Administration.
- c) The course will be useful for students who seek to understand and analyze broad transformations in the study of public administration in the course of changes in socio-economic and political life.
- d) The course introduces the student to the leading institutions of the Indian political system and to the changing nature of these institutions.

Apart from explaining the structure and functions of the main institutions the course will try to acquaint students with the idea of institutional balance of power as discussed in the Indian constitution and as developed during the functioning of Indian democracy over the past six decades
