Department of English

Program Specific Outcomes (PSOs) and Course Outcomes (COs)

Program: B. A. English

After successful completion of B.A. English the student will be able to:

| PSO No | Program Specific Outcomes (PSOs) |
|---------------|--|
| PSO 1 | Academic Expertise : <ul style="list-style-type: none">i. Possess an enhanced literary and linguistic competence, analytical skills, and enhanced language proficiency.ii. Recognize the basics of literature and language and the various genres of literature.iii. Become familiarized with terminology, criticism and background used in drama, poetry, novel, short story. |
| PSO 2 | Inquisitive Learner : <ul style="list-style-type: none">i. The study of language and literature will arouse an inquisitive mindset in the students. As the course continues, this curiosity will definitely grow and result in lifelong learning.ii. Our lectures are conducted in interactive mode which encourages discussions in the class and helps students broaden their horizons. |
| PSO 3 | Social Competence : <ul style="list-style-type: none">i. Great works of literature share their cultural, social, political, historical and economic experiences with the readers. Introducing various literary forms from around the world helps to understand the deep roots of today's interconnected global cultures. The divergent experiences of world writers of different eras and regions give an overview of cross-cultural artistic patterns.ii. The students endeavor to understand the world better and become global citizens by viewing the world through the lens of global writers.iii. Many jobs, including those MNCs, require cultural sensitivity as a prerequisite skill. Our syllabus exposes students to various cultural experiences and helps enhance their social skills. |

| PSO 4 | <p>Effective Communication :</p> <ol style="list-style-type: none"> i. Communication skills/ soft skills are a part of the syllabus in all three years of the Bachelor's degree. ii. Apart from lessons in grammar, dialogues, debates, public speaking etc. are all a part of the syllabus and the students benefit from these lessons as they tackle their professional lives. |
| PSO 5 | <p>Environmental Awareness :</p> <ol style="list-style-type: none"> i. The Second year syllabus includes a course on Environmental Awareness, which is mandatory for all the students. ii. Various environmental issues are also dealt with in stories and poems which make up the syllabus. Students are encouraged to discuss these issues in the classroom and write about their experiences. This spreads awareness and incites a healthy debate about environmental practices. iii. Eco-criticism has been introduced as a part of the TYBA special syllabus which deals with how environmental concerns are presented through literature. |
| PSO 6 | <p>Digital Competence :</p> <ol style="list-style-type: none"> i. Students are expected to submit assignments and projects on various topics throughout their course. Actively surfing through various academic websites for data and collating information is encouraged. ii. Assignments are often typed out and submitted online. |
| PSO 8 | <p>Ethical and Moral Values :</p> <ol style="list-style-type: none"> i. The study of language and literature helps to instil values and develop human concern in students through exposure to literary texts from across the world. ii. It also endeavours to understand the world better and help students become global citizens and view the world through the lens of global writers. |
| PSO 9 | <p>Stress Management :</p> <ol style="list-style-type: none"> i. It is believed that literature often offers an escape from the stress and tensions of life. Our syllabus includes poems, short stories, novels and essays that not offer a way of evading stress, but also coping strategies. Literature is seen as a mirror of life and it also offers solutions to the common issues faced by all of us. |

| | |
|----------------------|--|
| | <ul style="list-style-type: none"> ii. Various activities, like exhibitions, wall paper, and book and film club, stage performances help students to engage themselves creatively and negate stress. iii. As part of the syllabus, a mandatory course on Music is included for all the students. This is a healthy way of engaging students and can act as stress relief |
| <p>PSO 10</p> | <p>Extramural Skills :</p> <ul style="list-style-type: none"> i. To equip students with skills essential for the workplace and other opportunities. ii.
